**VARSITY
QUARTER**

A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live.

Five hundred yards from Princess Parkway and half a mile from the intersection with the Manchester Outer Ring Road, Varsity Quarter is perfectly situated for access to all parts of the city, as well as travel further afield. The development is less than 20 minutes' drive from the city centre and Manchester Airport. Several bus routes run along Sale Road, and Northern Moor Metro stop, three quarters of a mile away, provides fast links to the city centre and Manchester Airport. There are also quiet cycle routes around the area, extending into central Manchester and Salford Quays.

A small shopping precinct at Sale Circle, five minutes walk from Varsity Quarter, includes a pharmacy, a post office, convenience stores, a hardware shop, hairdressers and food takeaways. Half a mile eastwards, Palatine Road is a busy high street with food stores, a Tesco Metro, a Co-op, a large greengrocer, hairdressers, cafés, restaurants and other specialists. Sale town centre, two and a half miles away, includes Sainsbury, Aldi and Tesco supermarkets, and a Leisure Centre with swimming pools, a gym and sports facilities. The vast choice of cultural amenities and entertainment venues throughout Greater Manchester is complemented by some distinctive local organisations including an amateur theatre club just off Palatine Road and the volunteer-run Block Cinema.

Beautifully laid out, in a secluded setting within a mature residential area served by outstanding local amenities and with easy access to superb parks and countryside, this exciting development brings prestigious, energy efficient three and four bedroom homes into a popular, sought after suburb. Offering excellent transport links into central Manchester, and strategically located for access to the national motorway network, it retains a welcoming sense of place and community. Welcome to Varsity Quarter...

The Miller Difference

The Miller Difference

Every home we build is the start of an adventure. For more than 85 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you

For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust

Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation. Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can

You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help. From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it. And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards

From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey

Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way

After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved

Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own

Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space. At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

A place to grow

For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community. By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

One of the most exciting features of Varsity Quarter is its proximity to some of the finest outdoor attractions and urban wild areas in the area. Wythenshaw Park, five minutes walk away, comprises of more than 100 hectares of woodlands and meadow, a city farm and play facilities. Half a mile to the north, paths through Kenworthy Woods lead to scenic walks along the Mersey and Chorlton Water Park, a nature reserve with adventure play amenities for young people. The Withington Club is the nearest of five golf courses within walking distance.

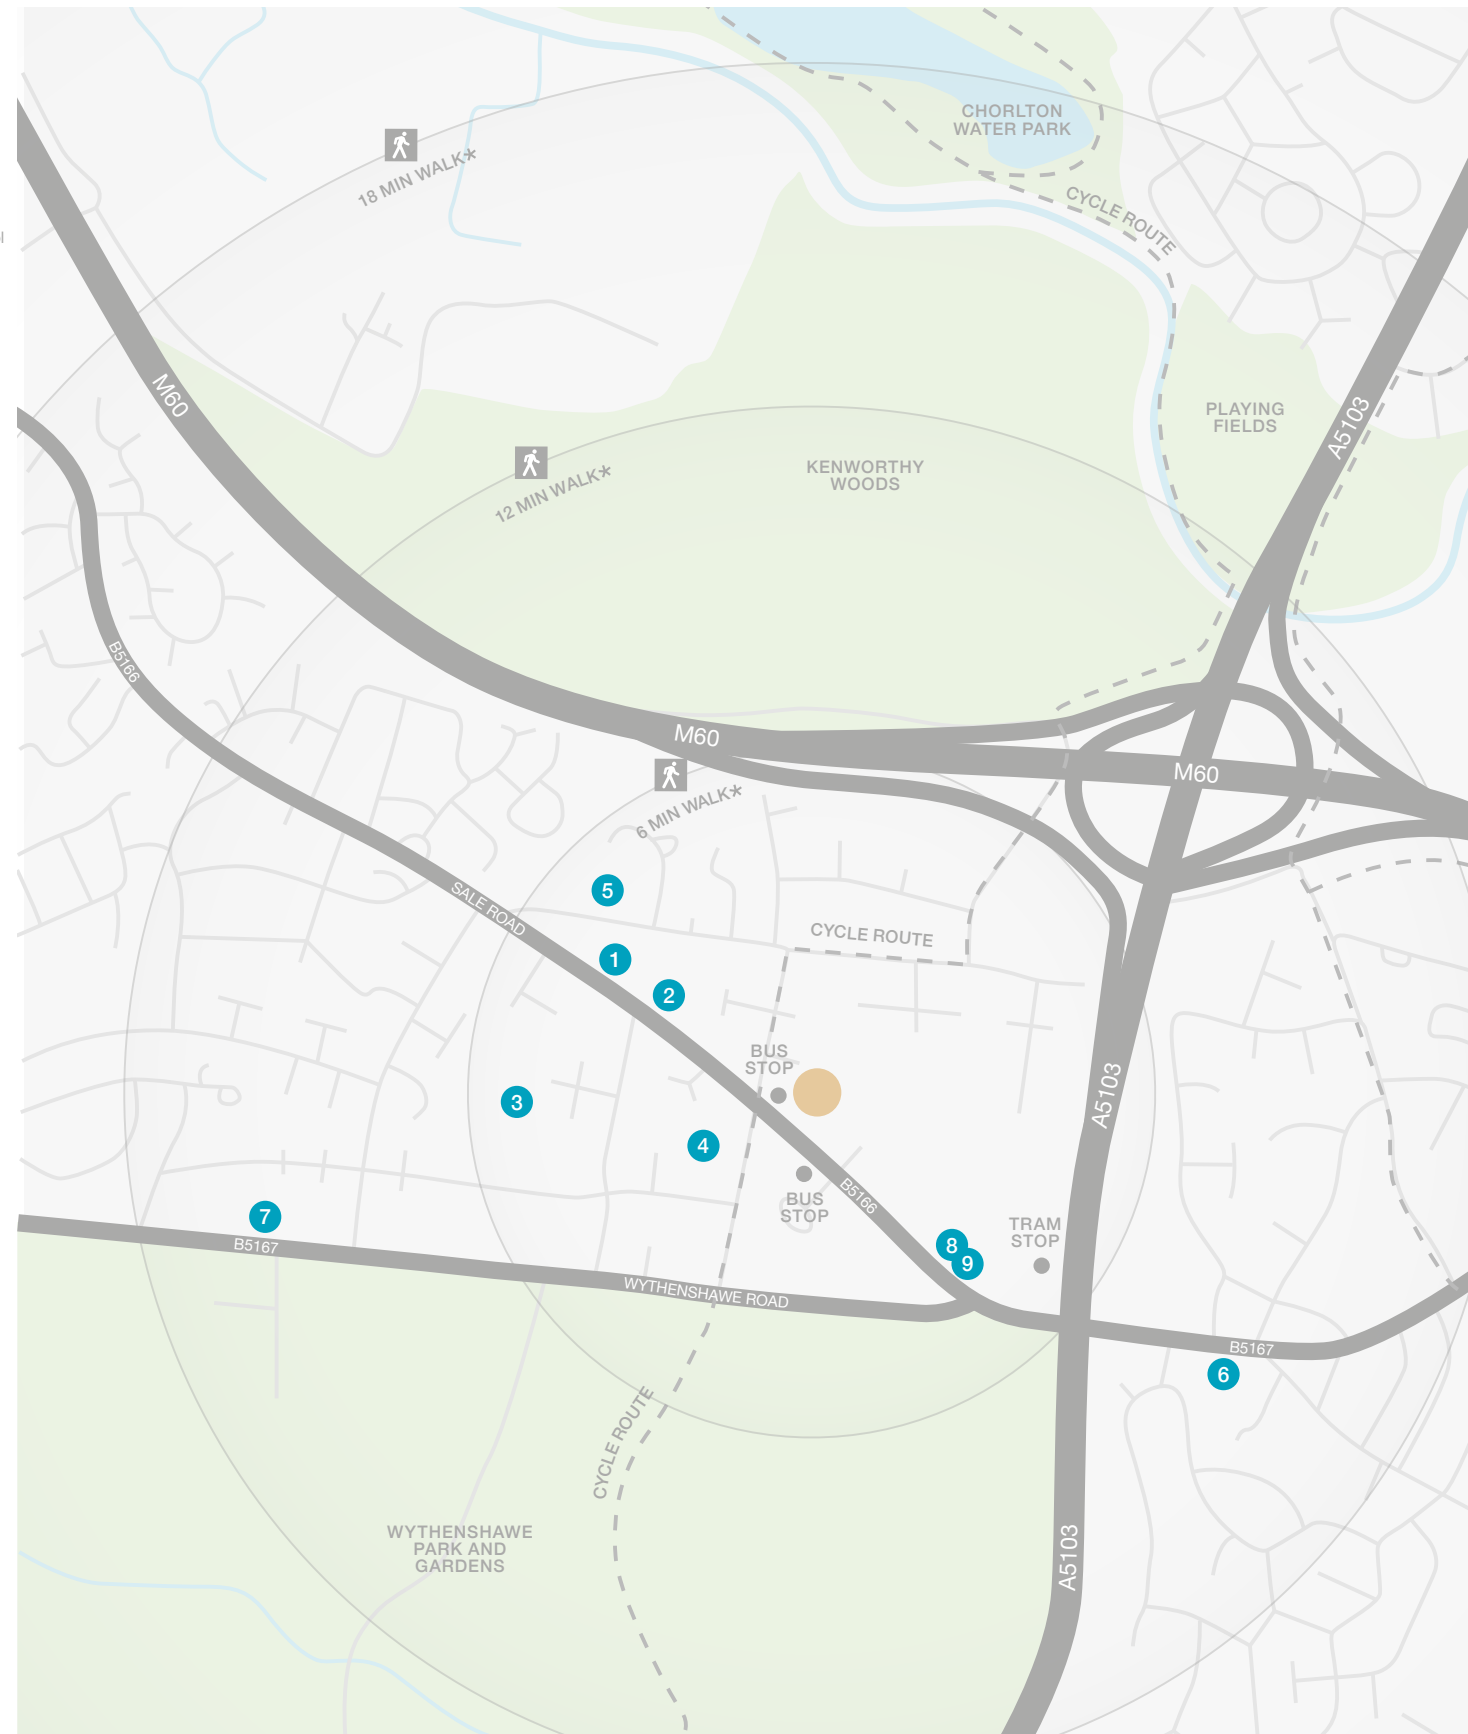

Rack House Primary School, St Aidan's RC Primary School and Pioneer House High School are all within ten minutes walk. Both primaries are assessed as 'Good' by Ofsted, and Pioneer House has been awarded 'Outstanding' status. There is also comprehensive health provision. Two dental surgeries sit just 250 yards from the entrance to the development, two medical practices, the Northenden Group and the Northern Moor Practice, can be found within three-quarters of a mile, and Wythenshaw Hospital, two miles away, has a 24-hour A&E Department.

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it. We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
