A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Arlesey Gate.

Around five minutes drive from the A1 and 40 minutes from the M25, Arlesey Gate is less than half an hour's drive from Bedford, and Cambridge can be reached in around 50 minutes by car. Arlesey Railway Station, half a mile away, is served by trains between Peterborough and Horsham, calling at Finsbury Park, London St Pancras, City Thameslink, Blackfriars, London Bridge, Gatwick Airport and other destinations. London St Pancras is just 40 minutes away by rail. In addition, buses between Bedford and Stevenage pass the development. Both the railway station and nearby Stotfold, a mile and a half away, can be accessed via cycle-friendly roads.

There is a large convenience store, post office and off-licence, open seven days a week, around 300 yards from Arlesey Gate. Fifteen minutes walk away, Arlesey High Street includes a general store, newsagent and off-licence, and there is a pharmacy a little further on. The town also has an Indian restaurant and a choice of takeaways. Family friendly pubs in Arlesey and neighbouring towns of Henlow and Stotfold include the Old Oak, ten minutes walk from Arlesey Gate. A further selection of shops, including a Co-op, a hairdresser, a traditional butcher and takeaways, can be found in Stotfold, and Letchworth Garden City, less than four miles away, offers a wide choice of independent local shops and high street chains.

Welcome home

Less than three miles from the A1 and just 40 minutes from central London by rail, this beautifully landscaped selection of two, three, four and five bedroom homes brings an exciting new neighbourhood to the leafy northern edge of Arlesey. With shops and schools within walking distance and a wealth of inviting woodlands and riverside walks to explore, it offers a superb opportunity to settle in a peaceful, mature community. Welcome to Arlesey Gate...

The Miller Difference

The Miller Difference
Every home we build is the start of an adventure. For more than 90 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

A place to grow
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

your home
your way...

Leisure amenities include a gym, outdoor pitches and sports hall at Pendleton Sports Centre, half a mile away, and fitness classes and pre-school activities are held in Arlesey Village Hall. The Broadway in Letchworth Garden City incorporates a four-screen cinema and a theatre presenting live music, comedy and drama. Letchworth also has a local history museum, an art gallery and the delightful, child-friendly Standalone Farm. The area's excellent local parks, riverside walks and green spaces include Pix Brook Nature Reserve, a few yards from Arlesey Gate, and Henley Lakes, a popular venue for anglers. Henlow Golf Club, three miles away, is the nearest of several courses in the area.

Arlesey Gate is in the catchment areas for Gothic Mede Academy and its associated Acorn Nursery, and for Etonbury Academy. Both are within around 20 minutes' walk of the development, and both are rated 'Good' by Ofsted. The Larkfield and Arlesey Medical Practice has a branch in Arlesey High Street, in a building which also houses Arlesey Resource Centre and Library, and there is a convenient dental surgery in Stotfold.

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

5 stars for customer satisfaction
