A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Cleve Wood.

Cleve Wood is within 35 minutes drive of Bristol, Gloucester and Cheltenham, and just under three hours from the M25 London Orbital Motorway via the M4. Buses to Thornbury town centre, Bristol and Chipping Sodbury all stop within a few yards of the development. Bristol Parkway Railway Station, nine miles from Cleve Wood, offers direct services to Edinburgh, Newcastle, Leeds, and Plymouth as well as London Paddington. National Cycle Route 410, part of a network of quiet and off-road routes including one to Bristol Parkway Station, passes the north-east corner of Cleve Wood.

Shops within fifteen minutes' walk of the development include a pharmacy and small precinct in Oakleaze Road with a licensed convenience store and newsagent, a butcher and greengrocer, a sandwich bar and a hairdresser. A second convenience store can be reached via a pleasant riverside path, and there is a large Dobbie's Garden Centre around a mile away. Thornbury town centre's attractive, traditional shopping environment is arranged around the pedestrianised St Mary Centre, an eclectic mix of high street names, local traders and cafés. There is a twice-monthly Farmers' market, a supermarket, and a diverse choice of picturesque pubs and cosmopolitan restaurants.

Welcome home

On the leafy eastern edge of the prosperous market town of Thornbury, this prestigious new neighbourhood of two, three, four and five bedroom homes presents a rare opportunity to settle in a beautiful location with excellent transport links and a lively, welcoming community. Four miles from the intersection of the M4 and M5, and less than 25 minutes drive from Bristol, it represents a superb blend of character and convenience. Welcome to Cleve Wood...

The Miller Difference

The Miller Difference
Every home we build is the start of an adventure. For more than 85 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

A place to grow
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
