

BRIDGEWOOD GREEN

A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Bridgewood Green.

Conveniently close to the A58, sheltered by the mature trees lining the banks of Collingham Beck, this selection of energy efficient two, three, four and five bedroom homes combines its strategic location with a secluded, peaceful ambience. Ten minutes' walk from the village shops of Collingham, just two miles from Wetherby and within half an hour's drive of Leeds, it brings an attractive new neighbourhood into a welcoming, lively community. Welcome to Bridgewood Green...

Situated a few yards from the A58, Bridgewood Green offers fast access south to Leeds and Bradford as well as to nearby Wetherby. Harrogate and York are both under 20 miles away and junction 45 of the A1(M), less than five minutes' drive from the development, provides fast routes to Tyneside and the south. Hourly buses between Wetherby and Leeds stop just outside Bridgewood Green and reach Leeds in 45 minutes.

In Collingham village centre, half a mile away, a Tesco Express store complements a precinct with a pharmacy, a post office and convenience store, a deli and bakery, an off licence, a hairdresser, food takeaways and other retailers. In addition to the traditional Cromwell's Bar and Kitchen in the village centre, there is an Italian restaurant and a second pub, the Windmill, within walking distance.

Built on trust
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

A place to grow
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

The attractive town centre of Wetherby, two miles away, presents a variety of local traders and high street names, many of them in the covered Horsefair Shopping Centre. There is an M&S Food store, Sainsbury's, Morrison's and Aldi supermarkets, and an open air market is held every Thursday. Wetherby's leisure attractions include the Racecourse, exciting adventure play at Stockeld Park, a Leisure Centre with swimming and gym facilities and frequent concerts at the bandstand by the River Wharfe. Wetherby's Cinema is also soon to reopen after renovations.

Collingham village supports a wide range of sports and activities. Many are based in Collingham Memorial Hall, a venue for clubs and societies ranging from art and snooker to dance, martial arts and a pre-school group. In addition to a new, well equipped One Gym, Collingham and Linton Sports Association has three indoor squash courts, football and cricket pitches, a children's playground, and affiliations with tennis and hockey clubs. The Association also provides a venue for the village cricket club, which plays in the local senior league. Wetherby Golf Club's superb 18-hole course lies alongside the River Wharfe immediately to the north of Collingham.

The village primary school, Lady Elizabeth Hastings' C of E Primary, is assessed as Good by Ofsted, and Wetherby High School is judged Good with Outstanding performance in promoting personal development and welfare. A school bus service operates between Collingham and Wetherby High School. There is a full range of health services in Collingham, including GP services at the Church View Surgery, and Collingham Dental Care and Le-Roche Optometry are both located in the shopping precinct.

From the A1(M)
Leave the A1(M) at junction 45 to join the A659 for Otley. At the Wattle Syke Roundabout take the second exit, for Collingham via the A58. We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it. We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
